

SUBJECT INDEX

In this document both this index and the Glossary are closely related; they have been drafted in order to raise the attention of interested readers and provide detailed explanations that are not usually found in similar documents. Instead of providing a detailed list of terms, the inclusion of a very selective list of them has been preferred in order to stimulate its reading.

Administrative data: Ch 3/ D.4

Big Data: 3.10, Ch6 / C.1

Carrying Capacity: Glossary

Coherence (data): Ch 3/ C

Comparability: 1.10, 1.12, 2.30
